## THE STORY

**Finding your  
story in  
God's Story**

Sunday mornings at 9:45  
 Beginning February 5th

"For the word of God is  
 living and active.  
 Sharper than any double-  
 edged sword, it penetrates  
 even to dividing soul and  
 spirit, joints and marrow;  
 it judges the thoughts and  
 attitudes of the heart."

Hebrews 4:12

**A Personal Note**

*from Bro. Jesse*

We are getting all geared up to start our new Bible Study, "The Story." This is something different but the change is justified in helping us better appreciate the Scriptures. So much of our small group Bible studies are of a few verses that reinforce the theme of the lesson for the week as well as for the month. This study gives us an opportunity to see the big picture of what God is doing through human history. The golden rule of biblical interpretation is context, context, context! Seeing the big pictures helps us to context all the other studies that have focus more on a few verses.

There are several opportunities for you to participate in a small group study for this event. All our Sunday school classes will be involved in this study along with one class being taught on Sunday evenings as well. Yes, we think it is important and hope you will take advantage of these opportunities. Before you say no to the whole endeavor I challenge you to try it for a few weeks and see if God uses it to speak to your heart, and increase your knowledge of the Bible.

To me it is like putting a puzzle together. You open the box, spread out all the pieces face up so you can see them and take out the big picture. Then after studying the big picture you look at the small pieces and try to figure out how they fit together. Have you ever tried to put a puzzle together in which you did not have a big picture to go by, maybe it was lost or destroyed off cover of box. You can do it but it is not an easy task without the big picture. This is also a great opportunity to invite new people to Sunday School.

Also continue to pray about our ongoing Upward Basketball ministry. We have had great success with both the children and their families. We continue to have several opportunities to minister to these young families and I would like to see each family saved and active in church. Pray for our coaches as they continue to build relationships and lead their teams in Bible study and prayer. Pray for our church that we will be a warm and welcome host as these families visit other times and ministries of our church.
