A Personal Note ~ from Bro. Jesse

It is hard to believe that December is here again. It seems such a short time ago we welcomed in the new year. God has been good to us individually as well as collectively as a church family. I hope that the praise and thanksgiving that marked the end of November will carry over into December as we prepare to celebrate the Christmas season. Christmas is such a wonderful time of year as we prepare for the holidays. It is my hope that we all catch the true spirit of joy and giving that are an important part of this season.

There are a lot of activities going on at the church. I encourage you to keep a close eye on the calendar and bulletin. Activities such as the adult and children's choir presentations, Christmas parties, opportunities for giving through the Lottie Moon Christmas Offering for Foreign Missions, and the adoption of needy families in our community. Please give generously to help the work of missions in Lawrence County as well as to the uttermost parts of the world. A great blessing comes from giving to others, especially their need for Christ.

Let me also encourage you to be a blessing to others this Christmas season. We often celebrate by getting together with family and friends. We focus a lot on getting each one the right gift that expresses our love and thoughtfulness to them during this season. There is nothing wrong with gifts, but what about the greatest gift, the love of Christ? Take the time to find out how your family and friends are doing in their spiritual journey. You never know how God may use you to be a blessing to someone in your group of family and friends. Also look for ways to serve them. They may need to know you care before they will allow you to share Christ with them. The greatest gift we can give to Jesus is another brother or sister brought into His family. After all, isn't that why He came?
