

N.E.T.M.A.

NOBODY EVER TELLS ME ANYTHING

May is booked.

Wow!!!! Is all I can say. Can you believe that summer is just a few days away? Time does fly and so will the month of May. I will give you a quick rundown of all the stuff that is happening. First, don't forget we have CRASH every Wednesday night @ 6:30. After that we play basketball at the MMS Gym. May 7th is the National Day of Prayer. May 8th is Paintball. This is a great time for your student to REACH his/her lost friends. The cost varies depending on if you have a paintball gun or not. See the church website or flyer for details.

Graduate Recognition & Baccalaureate is May 17th. We will present the students with a gift and take them to lunch after the second service.

DHCA Graduation is May 18th. Mattie Lewis is our MBC Graduate.

On May the 22nd, we will be joining with other youth ministries in Moulton for a Pre-Exam Cram Jam. We will be going to Huntsville for a sit down dinner at a place that doesn't give you a tray to eat, then to a Huntsville Stars Game. This will be an event planned for our youth to have some fun and invite un-churched students and friends to participate in before Final Exams start.

We all know that Memorial Day is on the 25th, but did you know the church is planning to have a picnic the evening of the 24th.

LCMS has graduation on May the 28th.

May 30th we are having a Youth Group Fund Raising Car Wash. This will be in conjunction with our Breakfast Club. We will eat breakfast together at Little's and then washing cars for donations to defray the cost of Summer Activities for our youth.

Finally May 31st is a FATT (fellowship and time together). We plan on going to the rec. center and playing tennis with everyone. It costs nothing and that is always a great thing. So break out the rackets and come hit with us.

Parents don't forget about the P.I.P. meeting on the 31st. We will have a form signing party and give you every detail you need for Global Youth Camp and M-Fuge.

Adults Desperately Needed

Summer is honestly the great time in Youth Ministry. Why? Because, we get a possible 2 months of influence and impact on a student's life. But, there is a drawback. Adult help is desperately needed.

I know what some of you are thinking right now. My kid doesn't like it when I come to youth events. I completely understand where you are coming from. I couldn't stand it when my mom went on the first trip. But, the camp

was not only good for me it was a blessing to her as well. Plus, when is the last time you gave your child what they wanted instead of what they needed?

Here is the deal. We had almost every adult spot filled and then we got 3 phone calls and now we are short 4 adults. Would you pray about attending Global Youth Camp or M-Fuge. I really need you.

To sweeten the deal, you will not be in the same group or have any

responsibilities over your kid other than paying for gas station stops on the way to and from the trip. How is that?

Please begin right now to pray for our summer activities. This could be the time God so chooses to bring revival to MBC, or God could use this summer to revive all of us.

Love Y'all, Patrick
